PROFESSIONAL SUMMARY

Motivated and detail-oriented ICT diploma graduate seeking internship or entry-level opportunities in software development, technical support, system administration, or database management. Skilled in Java, .NET, Python, and SQL, with hands-on experience in problem solving and teamwork. Eager to apply technical expertise to real-world projects and grow within a dynamic IT environment. I have successfully completed my Higher National Diploma in Information Communication Technology and will officially graduate in 2026.
